

## Holy Ascension Orthodox Christian Mission Centre

### Online Presence

#### Website

Holy Ascension Orthodox Church has a presence online for inquirers and parishioners, primarily through our website: [holyascension.church](http://holyascension.church)

#### Facebook

Holy Ascension also has a Facebook Group specifically for our parishioners: [facebook.com/groups/HolyAscensionOrthodoxMission](https://facebook.com/groups/HolyAscensionOrthodoxMission)

#### WhatsApp

Holy Ascension also has several WhatsApp Groups which are run by the parishioners themselves ***with prior blessing from the Superior:***

Choir Group  
Fellowship Group  
Parents Group  
Church Décor Group

Only current parishioners of Holy Ascension should be in these groups. Past parishioners and people from other parishes should not be included.

***Please see the Superior to receive a blessing to create any future Groups on WhatsApp.***

These Groups should only be used to coordinate activities and events and to keep parishioners informed in case of absences. The Superior will check in regularly on these Groups to ensure content and membership of these Groups.

### Email List

Along with news sent via an email list, these are the only electronic channels used to communicate the official news of Holy Ascension with inquirers and parishioners. This ministry is headed by the Parish Superior.

If you are receiving posts (supposedly) from our Facebook group or news-emails because of others sharing/forwarding, it is done so without the consent and blessing of the Superior and should be considered inaccurate and suspicious.
